BASIC STORY

The player is stuck in a time loop and must escape by choosing the correct path set by the one who trapped the player: *Gifflet - A Troublemaker in Arthurian Legend*.

There are different paths that open more such paths. At every level, the player would face a riddle that on which the correct answer, the player has an option to choose a path. Eventually, at last, the door opens to the player's world or else to the world of death.

FLOWCHART

FINALIZE STORY AT EACH DECISION

1. Introduction:

Wha... What happened? Where am I?

It's too dark to see anything...

"You are trapped into a time loop by Grafflet - A Troublemaker in Arthurian Legend..."

Would you like to start the game? (Y/N)

2. Start:

Everything is Dark. The ground is cold, damp, and covered in thick vines. You feel a rock that sinks into the ground and on pressing it, the ground starts rumbling. Lights begin flooding in...

Enter your name: <Player's Name>

Enter your gender: (F/M/O)

3. First Riddle:

You enter in a cave... Three paths are revealed and the entrances are blocked with boulders...

The key to access the paths, is to crack the riddle.

The riddle appears...

"Add 1000 to 40. Now add 1000. Now add 30. Add 1000 again. Now add 20. Add 1000 again. Now add 10."

What is the answer? 4100

Boulders removed choose any one path...

Enter the path Number: (1/2/3)

4. Second Riddle:

You stepped into the <i-th> path... New three paths are revealed and the entrances are blocked with boulders...

You need to crack the second riddle to unlock the paths. The riddle appears...

4.1. Riddle A:

"How many times can you subtract 10 from 100?"

What is the answer? Once/1/One

4.2. Riddle B:

"A boy and a doctor are fishing. The boy is the doctor's son; however, the doctor isn't the boy's father."

Who is the doctor? Mother/ Mom

4.3. Riddle C:

"Mr. and Mrs. Anderson have 6 boys. Each boy has one sister."

Can you count how many people there are in the family? Nine/9

Boulders removed choose any one path... The correct path will lead you to your own world else...

You steps into the world of death...

Enter the path Number: (1/2/3)

5. Decision:

5.1. Player's World:

Hey, hey there... Welcome back to your own world, <Player's name>. You have escaped from the time loop set by Grafflet... You Won...

5.2. World of Death:

Haa.. haa... haa... <Player's name>, you have chosen the wrong path. You are now trapped into the World of Death... You Lose...
